**City of Millersburg Street Map**

This map is prepared using a variety of sources. Streets were created digitally from aerial photography. Additional streets have been added by reference to property lines where available. Water boundaries and railroads were also created from aerial photography. City parks created by reference to parcel base. Other map features were developed from multiple sources.

This map is intended for general reference only. The City of Albany makes no warranties, either implied or expressed, regarding the accuracy of the information contained herein.
