

TO: FEMA Floodplain Property Files
FROM: Heather Hansen, CFM, Planning Manager H-H
DATE: November 29, 2010
SUBJECT: 389 Cherry Lane NE—Incorrect Information on Elevation Certificate

The Elevation Certificate for finished construction signed by Joe Cota of K&D Engineering on July 2, 2006, referred to the wrong Building Diagram Number (Question A7).

Instead of Diagram Number 2, A7 should be changed to Diagram Number 9 (subgrade crawlspace).

hah
